

The power of faith
in a conflicted world

difference.

FREE COURSE

This autumn

MAKE A DIFFERENCE IN A BROKEN WORLD

?

ARE YOU DEALING WITH TRICKY ISSUES

in your church or community? Would you like to explore some simple biblical principles about how to discuss difficult things well? The world, society, and the church can feel complex and divided. Do you want to be involved in being part of bringing reconciliation?

?

DIFFERENCE COURSE IS FOR ANYONE

who wants to be part of the solution, not part of the problem. It has never been more timely.

It is easy to follow, accessible, and packed with stories. It is not for experts, just ordinary people who believe that following Jesus means helping us understand each other better.

interactive sessions cover:

- navigating disagreements,
- building good relationships,
- recognising prejudice,
- practising forgiveness.
- Habits for good conversations.
